

# International Wind Energy Forum 2021

Location: **Moscow**

Date: **December 1-2, 2021**

Organised by: **Russian Association of Wind Power Industry**

The Russia's wind energy market prime annual event will take place offline. Over two days, experts will discuss the development of the Russian national wind energy sector.

## SCENARIO

International Wind Energy Forum 2021		
Duration	Agenda item	
<b>Day 1</b>		
<b>December 1, 2021</b>		
09:00 – 10:00 a.m.	<b>Registration and coffee reception</b>	
10:00 a.m. – 12:00 p.m.	<b>Russia's Wind Energy Industry: A Vision for Further Development</b> <i>Plenary sitting</i>	<ul style="list-style-type: none"> <li>- Will Russia follow the path of large-scale development of the wind energy sector?</li> <li>- At what ratio would a programme of public (state) support for renewables (including local content level) contribute to the development of the wind industry in the Russia?</li> <li>- Which market niches and opportunities for wind energy development in Russia are underdeveloped?</li> <li>- Wind energy in the regions. How to attract investments? Investors' risks and fears</li> <li>- Does renewable energy need to be promoted to the public and businesses?</li> <li>- Climate and carbon regulation. Are those constraints or development factors for the wind industry?</li> </ul>
12:00 – 12:15 p.m.	<b>Golden Wind awarding ceremony</b>	
12:15 – 12:45 p.m.	<i>Refreshment break</i>	
12:45 – 13:45 p.m.	<b>Voluntary demand for sustainable energy</b> <i>Session</i>	<ul style="list-style-type: none"> <li>- Is there demand for green energy in Russia? Consumers' opinion and what they expect from the market</li> <li>- Trans-regional sale of green energy in the Russia</li> <li>- Prospects for the development of the market for direct power purchase agreements</li> <li>- Examples of implemented deals in the Russia</li> </ul>

13:30-14:00 p.m.	Questions & Answers	
14:00 – 15:00 p.m.	<i>Lunchtime</i>	
15:00 – 16:00 p.m.	<b>Retail energy market</b> Session	<ul style="list-style-type: none"> <li>- Can the small wind energy sector be developed without public (state) support?</li> <li>- What is the investment volume of this segment?</li> <li>- Wind power image in the retail energy market. Energy service</li> <li>- Polar wind power. Is Russian production of equipment for autonomous renewables-based hybrid systems and low-capacity wind turbines possible?</li> </ul>
16:00 – 16:30 p.m.	Questions & Answers	

### **How is the Forum being held?**

We have all missed the live and face-to-face meetings, so the Forum is taking place offline. However, due to uncertainties related to COVID-19 quarantine restrictions on travel, foreign speakers can optionally take part online.

Simultaneous interpretation will be provided with Russian and English being the Forum's working languages.
